Historic Downtown Prosser Association

Who We Are

A Nonprofit Organization formed
in 2006 by community
members dedicated to the
preservation, enhancement and
revitalization
of Prosser's downtown core.

Our Mission

Create a vibrant
and prosperous downtown!

**Mini Critters have made their way into
Historic Downtown Prosser!**

**Five local artists created 12 whimsical scenes
that showcase some of our native critters for
you to enjoy seeking and finding while
exploring our downtown! Happy hunting!**

We have frogs...

Hop down 6th Street toward Dudley to find me.

Now hop back toward Bennett to see me! How low can you go?

...and bushy tailed squirrels!

Can you see Ace? ...yep, the helpful place right across the parking lot.

Parking lot? Not near me, I see the theatre marquee!

Mice are nice!

I spy with my little eye; cars on Meade Avenue driving by.

We see them too! But we can't see you. Move your feet and cross 6th Street!

I'm going to be a star, get me on that stage!

I carrot lot for Prosser! Vote Hare for Mayor!

Rascally Rabbits

Birds of a Feather...

Despite my location—I'm a quail bird not a jail bird!

I've been working on the railroad...well, at least listening to all the trains go by...

Meade, Meade, glorious Meade; from coffee to banking it has what you need.

The smell of blooming lilacs at the post office makes this shady spot sweet for an afternoon retreat.

...and our skunk doesn't stink!
