HISTORIC PROSSER WASHINGTON

HISTORIC PROSSER WASHINGTON

Facade Improvement Grant Program Information Sheet

Purpose: To provide Historic Downtown Prosser business and/or property owners with an incentive to restore building facades in keeping with a historical, integrated quality environment of the downtown core.

Amount: The grant will be a matching grant in which HDP may award 75% of the total project cost, not to exceed the facade improvement annual budget, on an individual project basis. Projects exceeding $5,000 will be subject to approval by the HDP board. The applicant will be responsible for the remaining cost.

Reimbursement: HDP will reimburse monies for the facade project in full within thirty days of receipt of invoices and completion of project.

Application Approval: HDP design committee and Board of Directors approval required. All projects must adhere to HDP design guidelines. Written authorization is required from the property owner before any reimbursements, and will be included with the application. City permitting must be completed before reimbursement.

Design Assistance: The HDP design committee is available and willing to assist in project design upon application approval.
